Tradition

ПОЛИТИКА

POLITIKA is founded on 25 January 1904 when it was launched namesake newspaper. Today is a joint stock company for newspaper publishing and printing business which employs about 330 workers, of whom one-fourth have college education. Politika AD is owned by more than 6,500 shareholders holding 6,596,896 shares. The largest shareholders of the Republic of Serbia, Equity Fund AD, EPS, Pension Fund of the Republic of Serbia Commercial Bank, AIK Bank, PTT ... In possession of small shareholders is a little more than 20% ownership. Main activities are the provision of Politika AD printing services and publishing. When it comes to graphics services, printing has been and remains the leader in the region. Politika AD print magazines, books, catalogs, brochures, flyers, inserter.

Besides printing, Politika AD is engaged in magazine publishing: Bazar , Politika Stil , Illustrated Politics , Viva , The world of computers , Mali Politikin Zabavnik, Enigmatika and Razbibriga. Daily newspaper Politika and Sports JOURNAL out within company policy papers and magazines, which we established in 2002 with the German WAZ (Westdeutsche Allgemeine Zeitung), with equal shares. After the WAZ in 2012 sold his stake, now is our partner OOO East Media Group of the Russian Federation. Headquartered in downtown Belgrade, and printing the located in Krnjaca, seven kilometers from the directorate.

PREPRESS

Preparation of printing form is based on a digital PDF work process. Material releases can be sent to an FTP server or printing on some of the digital media. The input format is PDF based on PDF / X-1a specification. His approval are checked upon admission (Enfocus PitStop Professional). Correct material enters the preparation procedures (electronic editing, proofing installation, CIP3 calibrated proof - proof, RIP). The plates are illuminated at Kodak thermal CTP devices. Preparation processes are compliant with the ISO 12647-2 standard. Devices and equipment used in manufacturing processes and control the quality of printing forms belong to the latest generation and ensure a high and consistent quality.

PRINT

The printing Policy AD are represented roto ACCIDENTAL and sheet-fed offset printing. Technological procedures are in compliance with the standard for offset printing 12647-2 and the process of certification. The process of printing using the latest equipment and methods to control the manufacturing process.

B) Pursuant to the law, enterprises from the Republic of Serbia were obliged as of 2004 to prepare Financial Statements in accordance with the International Standards of Financial Reports (ISFR).

SWOT Analysys

STRENGTHS:

A strong and recognizable brand. High quality and standard of journalism, with a wide range of products (for various needs of readers). The significant presence in the print media. Significant non-business assets.

S

WEAKNESS:

Business is operating with significant losses, the burden of debts and redundancies. Factual absence of control over the PNM. Frequent blockages in the previous period (a total of 233 days in the blockade from 21.03.2012 until the end of 2013).

W

OPPORTUNITIES:

Serbia is one of the poorest advertising market in Europe - an opportunity to realize additional revenue through more effective policy of charging for the space issue ads (online and in newspapers). The relatively low share of printed news media in Serbia (below average in Europe) - room for expansion in the market.

O

THREATS:

The negative trend in the global market of printed news media. Rapid technological progress and the increasing use of the Internet threatens the existence of the market of printed news media. Less distributors (Stampa sistem doo and Futura plus doo) may adversely affect the quality of the distribution.

t

Advantages of Investing in Serbia

Favorable geographic position, owing to which any shipment can reach any location in Europe within 24 hours

Highly educated and cheap labor force

Restructured and stable financial system

Simple procedures for a company start-up and registration

Simple procedures for foreign trade transactions and foreign investments

Several free trade agreements have been signed, ensuring supply of goods to nearly 800 million consumers:

- In March 2012 Serbia was granted the candidates status by the EC
- CEFTA
- Agreement with the EFTA members
- Autonomous trade preferences granted by the EU in December 2000, and implementation of the Interim Trade Agreement with the EU started in February 2010
- Agreement with the Russian Federation, Belarus and Kazakhstan
- Agreement with Turkey
