Tradition and expertise

- Established on February 29th 1960; production had started in 1965.
- 1965 to 1975 / This is the period of primary production. It is characterized by high scores in all categories.
- 1976-1985 / In the second decade of existence PKV is entered as a renowned manufacturer of yarns and fabrics. This period begins with the production of garments and threads.
- 1986-1995 / Along with the consolidation of all the clothes, new clothes are built. 1995th years. Social Enterprise PKV Yumco Vranje is transformed into a holding company of cotton Yumco Vranje. At this stage, it creates its own retail network and developing traffic.
- 1995 -2001 / Sanctions have slowed the strong growth of the Company, but it is not stopped their production and their investments. Build a new factory, and in late 1998. year purchased a 60-date looms with without chuttle grajferima air and transferring the weft. The Law on Ownership Transformation, which was adopted July 1997. year, from 30 June 1999. The company becomes a limited company and operates under the name: Holding company of cotton , “YUMCO” AD Vranje.
- 2001 -2004 / The transition period of the whole economy of the Republic of Serbia and the most difficult period of our Company. During this period, the company allocated some of their companies located outside of the central company as independent entities (limited liability company) and makes the reorganization.
- 2004 -2008 / The company is recovering slowly and gradually returned to the old production facilities. Today, while the entire Serbian economy is stagnant, and some companies and disappear “YUMCO” operates successfully and is present on both the domestic and foreign markets.
- 2009-present / The company begins the process of restructuring. Tendency of this process is to increase productivity and production efficiency, reduce costs, renew- al of machinery, and hire new workers. Company has finished process of restructuring in 2014.
